About Us

The Valley Rugby Club is a registered non-profit society which operates as the Valley Rugby Union in the Valley Region of Nova Scotia, Canada.

The Valley Rugby Union (VRU) started as a collaboration between the Valley Bulldogs Rugby Club and the Windsor Machine Rugby Club. In 2019, the two came together with the goal to provide a greater development platform for the sport in our region and to provide an age and stage appropriate opportunity that will allow young athletes to fall in love with the sport, older players to be engaged, and everyone in between to reach the level of play they are striving for. With every decision, we found ourselves drawn back to the values of rugby: integrity, respect, solidarity, passion and discipline.

The Valley region is rooted in rugby, with much history, ±40 years of club rugby, and high schools who have embraced the sport. As a united front we look to capitalize on the strength of the Valley region. This is reflected in our club motto, Fortis In Unum, Latin for together strong.

Our Values

VRU values align with that of World Rugby (integrity, respect, solidarity, passion and discipline) and the diversity and inclusivity within our community (both geographic and rugby community). We encourage applications from Indigenous People, Persons of African Descent, Black Nova Scotians and other Racially Visible Persons, Persons Living with Disabilities, Gender Diverse Persons and members of other historically underrepresented communities. While we recognize the inherent difficulty of doing so, if you are a member of an equity-seeking group, you are encouraged to self-identify in your cover letter or your resume.
